

Minutes: August 2006

Money:

We are still in the black every month with a balance about \$3,000.

We have a good core of members, but we still need members.

Studio space is still about \$1,000 short of what is needed.

The difference is made up through firings and workshops.

Programs:

Temp membership: We still don't truly know what that entails.

Ceramics Monthly brought in three inquiries. Some walk-ins, but there has been no follow up.

There is no Stated Purpose. We need an aim. The rest will follow. There is a need for specific commitments to a single project, without sacrifices to individual activities.

There was a discussion as to why we as individuals joined the guild.

Gallery discussion:

Keep It!

Carpeted side will be the Formal Gallery. Tile side will be the informal side, with more members pieces.

Amy needs more set up time to prepare and set up the formal gallery prior to a show. Please have work available. Help would be appreciated!
